

Eric's Pat in the Cotswolds

Oil on canvas
760 mm x 610 mm
2014

This was a portrait commission for a friend.

Pat asked if I would produce a painting from one of her husband's (Eric's) photographs that he took of her when they were holidaying in the Cotswolds. It was for a 40th Wedding Anniversary present.

Pat sent me an emailed image and I worked from that.
